

MMTA Local Association Matching Grants for 2021-2022

Procedures:

1. Each year the MMTA Executive Committee appropriates funds for local association grants.
2. Applications are reviewed and voted on at the summer Executive Committee meeting. Send applications to the Vice President for Local Associations by e-mail** no later than June 1, 2020 or by US Mail postmarked by June 1, 2020. No applications will be accepted after the deadline.
3. The MMTA Executive Committee will review the applications according to the guidelines below at the Spring Executive Committee meeting.

Guidelines:

1. Local associations applying for grants must have 100% state membership.
2. Grants can be used for any local association project with the exception of fund raising (e.g., to purchase a piano).
3. A local association applying for a grant must provide a match of local funds to help underwrite the project.
4. A local association may not apply for a grant for the same project within a five-year period.
5. No grants will be given on a retroactive basis.
6. No grant will be given to a local association in consecutive years.
7. A report on the outcome of the grant project must be submitted to the MMTA Executive Committee. Send the project report to the Vice President for Local Associations within 60 days of completion.
8. Local Associations receiving grant money are responsible for acknowledging the MMTA in publicity by including a statement such as "This event is funded in part by a grant from the Missouri Music Teachers Association."
9. The proposed grant project must take place between June 1, 2021 and May 31, 2022. Grant money is issued by the treasurer by check and must be used by May 31, 2021.
